Attention CLIENT: These color samples are for **REFERENCE ONLY**.

The color on your phone screen or computer screen may vary slightly from the actual color on the radiator. Also, depending on the location of the radiator, such as whether it's located in a sunlit or dark room, will also determine the perception of the color.

For **additional RAL Colors** visit: [TCIPowder.com](https://tcipowder.com). Click on Products ➔ Color Cards ➔ RAL Deck. Provide RAL #.
